

01. General

This document is provided for your information only and that under no circumstance should it be considered an effort by Rocket ICO to either promote or sell stocks or securities on its platform or on any other related or associated company's platform.

This Agreement as well as White Paper is intended for distribution solely on information purposes. Rocket ICO does not guarantee the accuracy of the conclusions and statements reached in This Agreement as well as White Paper.

This Agreement as well as White Paper does not comprise any advice by company, the directors, or any other person, and does not comprise recommendation to any receiver, by the virtues of participation in the token receiving processing.

This Agreement as well as White Paper does not necessarily identify, or claim to identify, all the risk factors connected with the project. All the participants must make their own independent evaluation, after making such investigations as they consider essential, of the merits of participating in the token receiving and Rocket ICO activities. Rocket ICO has the right to change incorporation country and jurisdiction without prior notice in order to seek the most favorable legal treatment and protection. The incorporation and jurisdiction are not limited to the European Union and/or the European Economic Area and can be changed without prior notice.

02. Tokens

Utility Token

Rocket ICO Token falls under the classification of a utility token and NOT an investment or security token.

Rocket ICO Token acts like a membership coupon that grants access to the Rocket ICO shared liquidity pool when used in the Rocket ICO wallet. Pool participants can contribute Fiat, Crypto, and Rocket ICO Tokens to the pool. The liquidity pool pays these wallet holders out in a variety of currencies such as crypto and fiat.

Therefore, if Rocket ICO Tokens are held outside the wallet, or not participating in the liquidity pool, there would be no access to the shared liquidity pool benefits that the wallet holders receive. Additionally, Rocket ICO Token holders may receive other coupon benefits such as preferred access or discounts on future products or new listings. To summarize, Rocket ICO Token's act as:

- a lower cost medium of exchange on Rocket ICO
- a store of value that can be used to purchase goods and services
- a membership key in the Rocket ICO wallet to the liquidity pool
- a coupon enabling wallet participants to receive higher levels of benefits
- a coupon for preferred access to products or new listings on Rocket ICO when used in the wallet

Not an Offering of Securities, Commodities, or Swaps.

The receiving of Rocket ICO Tokens and Rocket ICO Tokens themselves are not: software, currency, securities, commodities; swaps on currency, securities or commodities; or any other kind of financial instrument of any kind as may be determined by any national legislation.

Purchases and sales of Rocket ICO Tokens are not subject to the protections of any laws governing those types of financial instruments. This Agreement and all other documents referred to in this Agreement including without limitation the White Paper and Terms of Use do not constitute a prospectus or offering document, and are not an offer to sell, nor the solicitation of an offer to buy an investment, a security, commodity, or a swap on either a security or commodity.

Rocket ICO tokens are not securities

Traders comprehend and fully accept the fact that Rocket ICO Token are not securities under any circumstance, neither are they registered with any government entity as a security.

Holders comprehend and fully accept the fact that ownership of Rocket ICO Token does not grant them the right to expect or to receive proceeds, revenue, or other payments or returns arising from the attainment, holding, administration or disposal of, the exercise of, the redemption of, or the expiry of, any right, interest, title or benefit within the Rocket ICO platform and project or any other Rocket ICO platform property, partially or entirely.

Not an Investment.

Buyer should not participate in the purchase of Rocket ICO Tokens only for investment purposes. Rocket ICO Tokens are not designed for investment purposes and should not be considered as a type of investment as may be defined by any national legislation.

Although the Rocket ICO team will do its best to proceed with the project described within this White Paper and complete it at the best of its ability, unforeseen circumstances might not allow the completion of the project in whole or partially. Rocket ICO Tokens can never be considered an official or legally binding investment of any kind and purchasing the token is done at own risk.

Rocket ICO Tokens status

Rocket ICO Tokens do not have any rights, uses, purposes, attributes, functionalities or features, express or implied, including without limitation any uses, purposes, attributes, functionalities or features except those that are provided by Rocket ICO Platform and this Agreement.

Rocket ICO Token value

COP TOKENS MAY HAVE NO VALUE. Buyer acknowledges understands and agrees the Rocket ICO tokens may have no real value that can be neither calculated nor expressed in any material equivalent.

03. KYC/AML Procedures

Additional Information providing due to KYC/AML procedures.

Upon Rocket ICO's request, Buyer will immediately provide to Rocket ICO any and all information and necessary documents that Rocket ICO, in its sole discretion, deems necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include but are not limited to passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. Buyer consents to Rocket ICO disclosing such information and documents in order to comply with applicable laws, regulations, rules or agreements. Buyer acknowledges that Rocket ICO may refuse to distribute Rocket ICO Tokens to Buyer or to utilize Rocket ICO Tokens in the Rocket ICO Platform until such requested information is provided.

04. Taxes

Buyer acknowledges, understands and agrees that:

- the purchase and receipt of Rocket ICO Tokens may have tax consequences for Buyer;
- Buyer is solely responsible for the compliance with any such tax obligations the Buyer may have; and
- Rocket ICO bears no liability or responsibility with respect to any tax consequences to Buyer;
- Rocket ICO Tokens price does not include VAT or consumption or any other related tax. Buyer may be considered as tax agent in accordance with the laws of his/her tax residency.

05. Profit and Loss Risks

Hardfork and Ethereum blockchain collapse risks.

Buyer is aware of the specifics of Ethereum blockchain technology. In case hardfork or double spending (51% attack) in Ethereum blockchain, all or part of Rocket ICO Tokens and the Rocket ICO Smart Contract may be lost or become unavailable to exploit.

Rocket ICO may not be held liable for any Damages or any other losses caused by these events and does not guarantee the safety and stability of Rocket ICO Tokens, received ETH or the Rocket ICO Smart Contract.

06. Regulation risks

Uncertain Regulatory and Legal Framework

The regulatory and legal status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology and its applications. Such changes could negatively impact Rocket ICO Tokens in various ways, including, for example, through a determination that Rocket ICO Tokens are regulated financial instruments that require registration. Rocket ICO may cease the distribution of Rocket ICO Tokens, the development of the Rocket ICO Platform or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

07. Technological risks

Risks associated with new technology

Rocket ICO tokens and cryptocurrency tokens in general are a relatively new and untested technology. Due to this nature, technology-related unforeseen events may occur at any time. Traders comprehend and fully accept all types of related risks involved.

Ethereum related risks

Rocket ICO tokens will be issued on the Ethereum blockchain thus being dependant on it.

The functionality of the Rocket ICO Tokens or the Rocket ICO platform will be severely affected should the Ethereum protocol malfunction or fail.

Risks associated with quantum computers

Despite the efforts made by the blockchain community to safeguard the security of cryptocurrency technology, the potential development and deployment of quantum computers or any other kind of advanced types of computers in the future may put this security at risk. In such a case, the Rocket ICO Token token will be affected as well.

08. Regional restrictions

You are not eligible and you are not to purchase any Rocket ICO tokens if you are a citizen or resident (tax or otherwise) of Belarus, or other Belorussian Person. "Belorussian Person" is generally defined as a natural person, residing in the Belarus or any entity organized or incorporated under the laws of Belarus. Furthermore, citizens or residents (tax or otherwise) of the Belarus, are not eligible to register for the token sale.

09. Others

All warranties are expressly disclaimed.

Rocket ICO and its affiliates expressly disclaim all liability for and damages of any kind (direct or indirect, including loss of profits) arising out of the use, reference to, or reliance on any information contained in this Agreement and White Paper, even if advised of the possibility of such damages.

Also, Rocket ICO and its affiliates expressly disclaim all liability for

- any security risk such as hacker attacks, loss of password, loss of private key, or similar;
- mistakes or errors in code, text, or images;
- any losses resulting from the volatility in pricing of in any countries and cryptocurrency and Rocket ICO activities.

This website and the Rocket ICO tokens are provided on an "as is" basis and without any warranties of any kind, either expressed or implied. You assume all responsibility and risk with respect to your use of the website and purchasing of any amount of the Rocket ICO tokens and their use.

Rocket ICO and its affiliates expressly disclaim all liability arising out of or in any way connected to the buyer's failure to properly secure the private key to the wallet containing their Rocket ICO tokens such as: hacker's attacks, stolen devices, loss of passwords, etc.

The actual results, performance or achievements of Rocket ICO may differ materially from those anticipated in these forward-looking statements. Nothing contained in this Agreement and White Paper is or may be relied upon as a promise, representation or undertaking as to the future performance or policies of Rocket ICO. Further, Rocket ICO disclaim any responsibility to update any of those forward-looking statements or publicly announce any revisions to those forward-looking statements to reflect future developments, events or circumstances, even if new information becomes available or other events occur in the future.

10. Copyright

Rocket ICO Copyright 2017
