The data that RocketICO collect from the User will be transferred to, and stored at, in the EU and may be transferred and/or stored to other places outside the European Economic Area (EEA). It may also be processed by staff, operating outside the EEA, who works for RocketICO or for one of its service providers.

The website cannot guarantee the security of the data during transmission via the Internet and You must be aware of the risks related to the specificities of the Internet networks, in particular that information relating to personal data can be captured and/or transferred without our knowledge.

All the data collected is stored for a period no longer than necessary for providing or using the requested service. Beyond that period, the data will be deleted, made anonymous or kept for statistical purposes. When assessing how long personal data shall be stored, retention requirements might be stipulated by other applicable laws (e.g. anti-money laundering law). Stored personal data can serve as legal evidence in litigation.

04. Third Parties

RocketICO may outsource part of its IT infrastructure and the processing of Your data to third parties if necessary. For example, the transfer of providing from You data to outsourcer company to verify its authenticity (checking the passports validity, the absence of changes to graphic files, etc.). By submitting any of Your personal data, You agree to this transfer or processing. RocketICO from its side will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with these Terms.

Our services may, from time to time, contain links to and from the websites of our partner networks, advertisers, and affiliates (including, but not limited to). If You follow a link to any of these websites, please note that these websites and any services that may be accessible through them have their own privacy policies and that We do not accept any responsibility or liability for these policies or for any personal information that may be collected through these websites or services, such as contact and location data. Such partners may be located in other countries where the laws on processing personal information may be less stringent than in your country. Please check their policies before You submit any personal data to their websites or use their services.

05. Use of Cookies

This website may use so-called "cookies". A cookie is a bit of information that is written to the hard drive of Your computer, tablet, smartphone or any device You use in order to access this website. Each time You visit our website, this information is sent back to the website. This helps us to understand how our customers and potential customers use our website so we can develop and improve the design, layout and function aspects of the website.

Your data is stored in compliance with the Data Protection Act 2004 and Directive 95/46/EC. You can set up Your browser to warn You each time a cookie is created or to prevent the creation of cookies.

This website does not have access to or control over cookies or other features on third-party websites and the information practices of these third-party websites are not covered by the terms of this Privacy Policy.

06. Confidentiality of Account and Password

If You set, or are provided with, a user identification code, password or any other piece of information as part of our security procedures, You must treat such information as confidential. You must not disclose it to any third party.

You are solely responsible for maintaining the confidentiality of Your passwords and/or any information in connection with Your user profile. You must log off and close the browser window at the end of Your session, because this will prevent others from accessing Your personal data without Your consent.

If You know or suspect that anyone other than You knows Your user identification code or password, You must promptly notify us at support@rocketico.io

07. Right of Access to Personal Data

Under the Data Protection Act 2004 You have a right to access your Personal Data held by us, and it is your responsibility to inform us of any changes to your Personal Data to ensure such data remains accurate. You also have a right to object to your Personal Data being processed for the purposes of direct marketing. You agree to provide a written request to us should You wish to enforce these rights.

You can exercise Your rights of access, modification, deletion or opposition by sending us a request by e-mail to support@rocketico.io

08. Prohibited Areas

"Prohibited Areas" mean certain jurisdictions and/or territories, specified as prohibited or similar in RocketICO's sole discretion. At the moment of the Token Crowdsale the list of Prohibited Areas includes the Republic of Belarus and any other jurisdiction or country where the Token Crowdsale would be contrary to any law or regulation or require any registration, licensing or other authorization and may be amended from time to time.

RocketICO has the right to change the list of the Prohibited Areas in RocketICO's sole discretion at any time and include the certain Areas in these Terms.

You are not eligible and You are not allowed to purchase any ROCK tokens if You are a citizen and/or resident (tax or otherwise) of Prohibited Areas, and/or You are located in Prohibited Areas.

To remove any doubt, this restriction also applies to residents and citizens of other nations while located in a Prohibited Areas, and the fact that the Token Crowdsale is accessible in any such Prohibited Areas, or that the Website allows the use of the official language of any such Prohibited Areas, shall not be interpreted as a permission to take part in the Token Crowdsale.

Attention: Any attempt to cheat this restriction, for example – by using a VPN, proxy or similar service that masks or manipulates the identification of Your real location, or by otherwise providing false or misleading information regarding Your citizenship, location or place of residence, is a breach of these Terms and may constitute an unlawful act under the applicable law.

09. Changes in Privacy Policy

We reserve the right to change this Privacy Policy at any time (for example due to the applicable legislation changes, etc). These changes will be set on this page so that You always know what data is collected, how that information can be used and how we handle Your personal data. Therefore, we encourage You to read this Privacy Policy regularly.

10. Consent to the processing of personal data

I, further on as the "User", pursuant to the requirements of applicable Law, I give my consent for processing of my personal data specified during registration by filling out any web forms on the websites of RocketICO and confirming that by giving such consent I act in my own will and in my interest.

Consent applies to the following information: surname, first name and patronymic; former surname, name and patronymic (in case of changing user profile data); the photo; date of birth, telephone number; E-mail address; nationality and other personal information that I provided in web forms on any RocketICO websites.

Consent is granted for the implementation of any actions with respect to personal data that are necessary to achieve the above objectives, including without limitation: collection, systematization, accumulation, storage, clarification (updating, modification), use, distribution (including transfer), depersonalization, blocking, destruction, as well as the implementation of any other actions with personal data in accordance with applicable law.

The processing of the User's personal data is carried out solely for the purposes of registering the User in the RocketICO database with subsequent sending to the User of e-mail messages and SMS notifications, including advertising content, from RocketICO, its affiliates and / or subcontractors, news and newsletters, invitations to the activities of RocketICO and other information of advertising and news content, as well as to verify the identity of the User when attending RocketICO events.

The date of issue of consent to the processing of the User's personal data is the date of sending the registration web-form from the sites of RocketICO.

RocketICO performs KYC and AML procedures. If You supply RocketICO with the personal information described above and any other personal data (including IP address), You agree that RocketICO will therefore process Your information for AML purposes, and can provide Your information to the state authorities in the countries RocketICO operates.

In accepting these Terms, You acknowledge and guarantee that any kind of funds that will be transferred to the RocketICO for ROCK Token purchase, are not obtained by criminal means, and that Your RocketICO Token purchase is not aimed at money laundering. You hereby authorize RocketICO to, directly or through third parties, make any inquiries We consider necessary to verify Your identity and/or protect against fraud, including to query identity information contained in public domains or reports, and to take any action We reasonably deem necessary based on the results of such inquiries or reports. You further authorize any and all third parties to whom such inquiries or requests may be directed to fully respond to such inquiries or requests.

The said consent is valid for an unlimited period from the moment of data provision and can be withdrawn by the User by submitting an application to the administration of the RocketICO sites by sending the appropriate order to the User in simple written form to the e-mail address support@rocketico.io

11. Non-provision of the information liability

You agree to provide us with all information, stated above, promptly upon request and acknowledge that RocketICO may refuse to provide You with the right to use ROCK Tokens until You provide such requested information and RocketICO has determined that it is permissible to provide You with the right to use ROCK Tokens under applicable laws or regulations. Definite information scope and the specific tools, means of information request are defined in RocketICO's sole discretion after these Terms are deemed to be concluded and after the RocketICO Tokens are purchased. Definite information scope and the specific tools, means of information request may vary depending on the number of Tokens purchased or depending on the other circumstances, defined by RocketICO.

Attention: Apart from everything else, You agree that in case if RocketICO limits Your rights to use ROCK Token because of non-provision of the information required under KYC/AML policy in accordance with RocketICO's request, RocketICO shall not be deemed to breach these Terms.
